

Notes for speakers

Dear HYDRO 2016 speakers,

time is proceeding and we would like to ask all speakers to send a

revised abstract (250 – 350 words) until **31.07.2016**
to paper@hydro2016.com

Your abstract will be published in the conference handbook. Note that figures and tables are not allowed.

We would like to encourage all speakers to prepare a conference paper containing **2000 – 3000 words** (see format template HYDRO2016_template.docx). Your conference paper will be spread via USB stick to HYDRO attendants and possibly published on the web (see PUBLICATION RIGHTS). You are welcome to submit this conference paper until the 31.07.2016, which would allow you enjoying an easy summer vacation. But please note the final deadline:

conference paper (2000 – 3000 words) until **31.08.2016**
to paper@hydro2016.com

Selected conference papers will be considered for publication in *Hydrographische Nachrichten*, authors will be notified after reception.

The conference registration is mandatory for all speakers. A reduced speaker's fee accounts for all speakers, while early bird applicants must initiate the bank transfer in a way to fulfill

registration payment reception until **31.07.2016**

Please also consult the website (<http://www.hydro2016.org/registration.php>)

Find some additional information on the following page.

We are looking forward to your participation and thank you in advance for making HYDRO2016 a successful conference!

FACILITIES FOR SPEAKERS

A computer with PowerPoint software and data projector will be available. Before your session you must arrange with the session chairman to load your presentation on the auditorium computer – have it available on flash memory.

A brief CV of yourself must be handed to the session chairman that could be used to introduce you.

PRESENTATION

Speakers will have 20 min. for presentation of their papers and 5 min. for questions.

PUBLICATION RIGHTS

By submitting the conference paper to the HYDRO 2016 organizers each author agrees to give the Deutsche *Hydrographische Gesellschaft* (DHYG, German Hydrographic Society) the right to spread his/her paper at HYDRO2016 via USB stick to the conferences delegates. If not refused by the corresponding author, the paper will further be uploaded to the HYDRO 2016 and DHYG web site without any compensation. Selected papers might be considered for publication in *Hydrographische Nachrichten*. If selected, the corresponding authors will be contacted directly for clarification.

DEADLINES

revised abstract submission	31. July 2016
early bird registration linked to reception date of payment, consider the delay of bank transfer	31. July 2016
conference paper submission	31. August 2016
